## SCHOOL REPORT OF DEERFIELD, N. H.

---

To the School Board of Deerfield:

I herewith submit my annual report for the school year 1926-27, together with certain facts about the school affairs during the present year.

At the opening of the year, August 1926, Miss Eva Smith, who had previously taught the South Road school, resigned on account of ill-health. Miss Mary Cassidy, a graduate of Keene Normal School, was chosen to succeed her. About mid-year, Mrs. Bertha Brown, of this town, took the school.

Ten pupils were graduated in June. A majority of these entered a secondary school in the fall.

In the fall of 1927, the School Board decided to employ a school nurse to cover the work of health supervision. It was found that this arrangement would not cost the district any more, since the State allows more aid in financing the employment of a nurse. Moreover, the work can be more efficiently done by a nurse, since she will follow up cases needing attention in a way that a physician does not feel at liberty to do. Mrs. Martha Hurd, R. N., of Derry, was employed for this work in October. Mrs. Hurd made a good start, but, unfortunately was taken ill and later resigned. Mrs. Margaret Ahlgren, R. N., of Manchester, has recently been employed for the work and is just entering upon it.

I feel that we owe it to the children of the town to furnish the best instruction possible. While, without

doubt, experienced teachers without professional training have done very good work, I have observed that, as a rule, trained teachers do more effective work, in the long run. I recommend that, so far as possible, trained teachers be employed and that salaries be adjusted so as to bring about this result.

Very respectfully,

FRANK C. THOMPSON.
